At the time of First time adoption of Ind AS, the company has erroneously determined financial liability in case of Preference Shares Capital based on 18 Years. Being Material error, the Equity and Liability component of Preference shares along with Intangible Liability component has been re-measured and therefore given effect in the restated results relating to previous quarters.

- Previous period figures have been regrouped/reclassified, wherever considered necessary to conform to the current period presentation.

- The company had issued 4,35,00,000 (2% Non-cumulative, Redeemable) Preference Shares of Rs. 10/- each at a premium of Rs. 90/- each amounting to Rs. 43,50,00,000 on 30th July, 2010 and 95,00,000 (2% Non-cumulative, Redeemable) Preference Shares of Rs. 10/- each at a premium of Rs. 90/- each amounting to Rs. 9,50,00,000 on 17th August, 2010. As per the terms and conditions of the Preference shares, the preference shares will not be due for redemption before 10 (Ten) years and not later than 12 (Twelve) years from the date of allotment. However, the term of redemption was inadvertently mentioned 18 (Eighteen) years instead of 12 (Twelve) years in the Financial Statements of previous years, which is now being rectified as 12 (Twelve) years from the period of redemption of preference shares. At the time of First time adoption of Ind AS, the company has erroneously determined financial liability in case of Preference Shares Capital based on 18 Years. Being Material error, the Equity and Liability component of Preference shares along with Intangible Liability component has been re-measured and therefore given effect in the restated results relating to previous quarters.
- The company provides depreciation on straight line method. During the year, company found material errors in calculation of depreciation based on straight line method, which is recalculated and given effect in the restated financial statements.
- Previous period figures have been regrouped/reclassified, wherever considered necessary to conform to the current period presentation.
